## A prayer for those who are unemployed and seeking work

**Lord God**, I really could use some work. I want to get out there and get a job and earn my living. But so far it isn't happening. I know that my times are in your hands. I know that all things, even unemployment, will work together for my good according to your good purpose. And I know that you've promised that my family and I won't starve while I try to find work. I am grateful to you for all of this, and please give me, first of all, the gift of patience. Don't let me start ranting about how it's not fair that I don't have a job, or start losing my trust in you. But, along with this gift, I also ask you most sincerely to help me find work soon. You've given me abilities and I'd really like a chance to use them on a job. Your Son knows, from all His years in the carpenter's shop, what a blessing it is to have steady work. For His sake, and especially since He died and rose again to make me your child as well, I pray that you would give me this blessing, too, and as soon as Your mercy and wisdom will allow. **Amen.**
