*“Never has the world had a greater need for love than in our day. We don’t have time to stop and smile at each other. We all are in such a hurry! Pray. Ask for the necessary grace. Pray to be able to understand how much Jesus loved us, so that you can love others.”*

Dear friend(s),

We thank you for helping us to do something beautiful for God by showing the poorest of the poor how much God loves them, how close He is to them, and how close they are to Him.

The gift, the time, the joy you share are greatly appreciated. Be sure that we remember you, your family and your needs in our daily prayers.

We ask you to keep Haiti and it’s people in your prayers, as they go through difficult and painful times.

May God bless you.

May Our Lady be a Mother to you.
